INTRODUCTION

About Us

We are proud to introduce ourselves as one of the leading Electro Mechanical Contracting Company in the UAE market undertaking diverse projects in HVAC, Electrical and Plumbing.

The strength of the company lies in its 3M's – the strong and qualified **M**anpower, availability of **M**achineries and **M**aterials coupled with its vast experience in contracting and engineering sector.

We value our esteemed customers and strongly believe in accurate, quality and prompt service in each and every endeavor, schedules and budgets are meant to be kept, and we strive every day to do so.

Perfa is managed by well experienced engineering professionals working in the Middle East for the past 30 to 35 Years.

Genesis

Perfa Electro-Mechanical Contracting Est. established in 2017 has now become a strong specialized Electro-mechanical Contracting firm that has all capabilities to execute big high standard projects.

Perfa (Headquartered in AL-AIN) has significantly grown and established a reputation as a leading MEP contracting company in the U.A.E.

Backed by a team of experienced and highly qualified professionals.

Perfa has been experiencing substantial growth over the last 3 years. New prestigious projects along with an objective for excellence are driving Perfa towards a successful horizon.

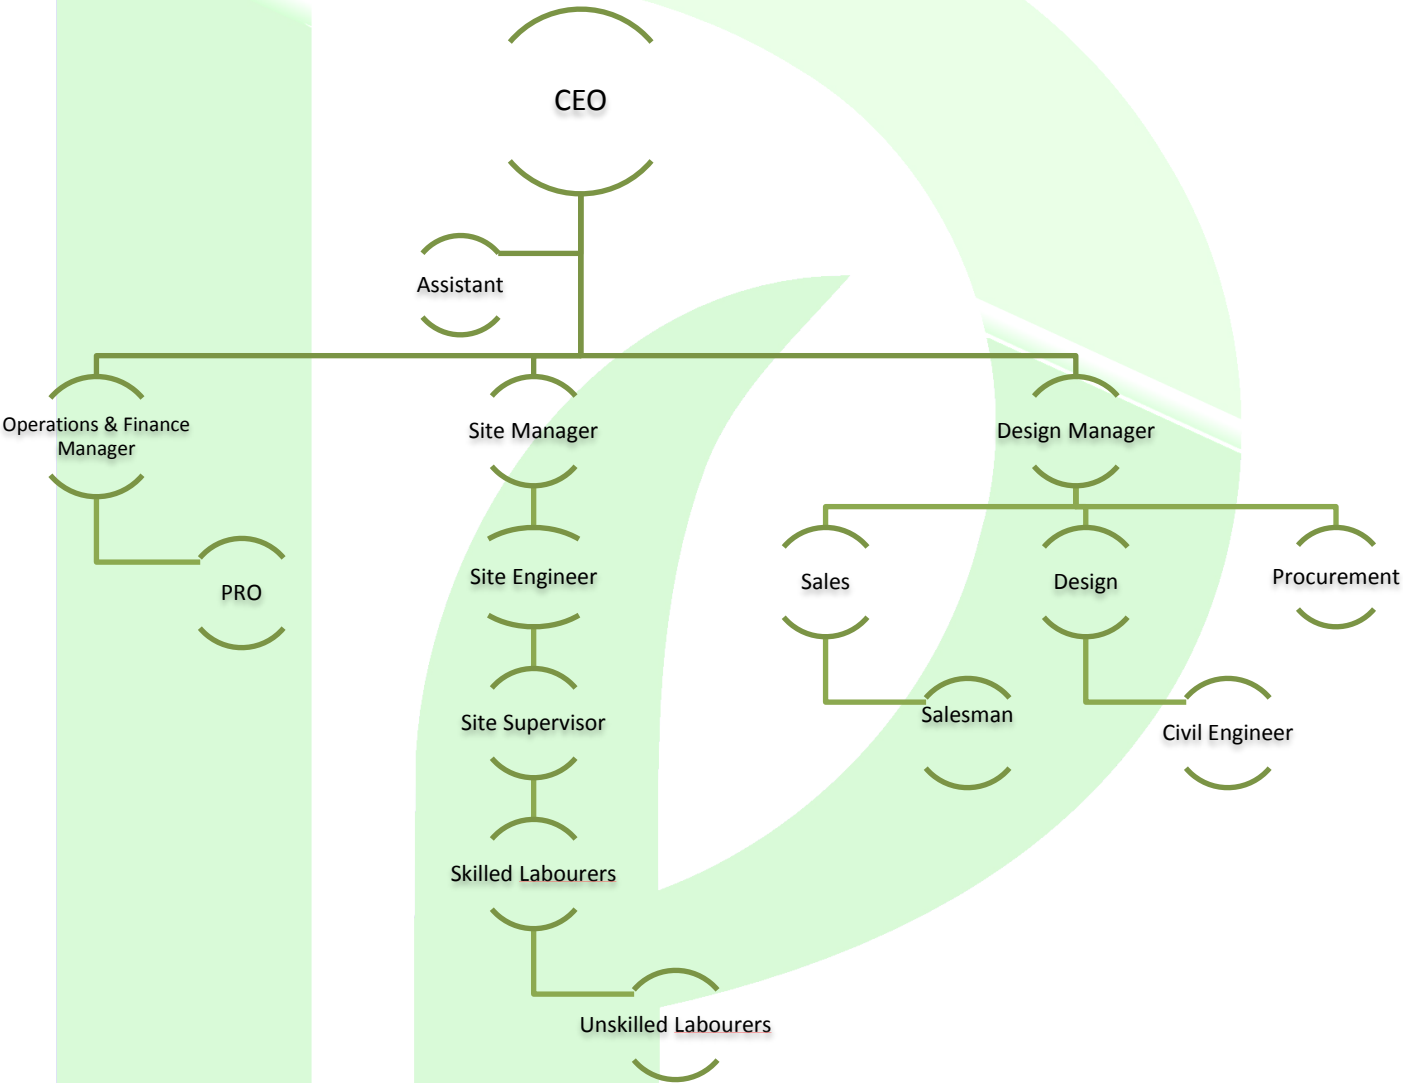

Activities

- Design, supply, installation and maintenance of all kinds of HVAC and Plumbing System.
- Design, supply, execution and maintenance for all kinds of Electrical projects.
- Green house construction and management – Smart home Solutions
- Design and installation of ELV System
- Engineering Product Trading
- Building Maintenance.

Our clients

Engineers at Perfa have been involved in a wide range of projects for clients such as Municipalities, Water and Electricity Authorities, Department of Military works, ADNOC, TAMOUH, Telecommunication corporations, Government entities, Al-Ain Farms for Livestock Production as well as Private Owners.
